Need Some Service?
When the job calls for expert
service, you can find just the
people to do it by looking in the
TELUS Directory. It's the easy,
fast way to find anything you need
— services, stores or products.

NO MATTER
WHAT YOU'RE
LOOKING FOR
YOU'LL FIND
IT IN THE
TELUS
DIRECTORY

People who are ready to
buy turn first to the TELUS
Directory. If you have something
to sell or a service
to offer, here's the
place to tell about it. TELUS
Advertising Services places your
name, address and tele-
phone number before the
buyer at the very moment
he wants your product or
service. Call the business
office for information.

Don't open your door to
strangers! When someone
claims to work for the
phone company,
ask for identification.
For your safety,
TELUS employees
are required to carry
a card that tells you
exactly who they are.

Calling 9-1-1

Each year, in Canada, over three million calls are made to emergency services by cell phone Samaritans. When calling 9-1-1 in an emergency situation, here are some tips to keep in mind:

1. Advise the operator you are speaking on a cell phone.
2. Give the operator your 10-digit cell phone number, along with your full name.
3. Provide your exact location. If you don't know the exact location of the incident, try to mention landmarks or highway signs in the area.
4. Stay on the line until the operator says it is ok to hang up.
5. After you've hung up, leave your cell phone on in case the operator needs to call you back.

**4 GOOD REASONS FOR
 HANDLING COMPLAINTS
 BY LONG DISTANCE**

You can talk over matters at once.
 Promptness often prevents loss of
 a customer.
 You can build closer relations with
 customers.
 You can use tact in delicate situa-
 tions. And because people talk more
 freely than they write, you can fre-
 quently trace the real reason for the
 complaint and prevent similar com-
 plaints in the future.

In a busy home
- a second line
for your children
can be a necessity.
It frees the
main phone for
your own
important calls.

Don't open your door to
strangers! When someone
claims to work for the
phone company,
ask for identification.
For your safety,
TELUS employees
are required to carry
a card that tells you
exactly who they are.
