We Listen We Care

*F*or over 40 years, the lawyers of Cummings Andrews & Mackay have worked hard to establish a tradition of legal excellence. We have successfully argued Canadian and British Commonwealth precedent setting injury cases at all Court levels, including the Supreme Court of Canada.

We take pride not only in the results we have achieved on behalf of our clients, but also in our caring, individualized service. Our experienced, dedicated lawyers and capable, friendly staff share this same commitment to excellence.

We Get Results™

- **No fees or expenses** unless your case is successfully finalized. No hidden costs.
- **We are leaders in injury law**, setting the standard in Canada. By choice, we only represent the injured. We do not act on behalf of insurance companies.
- Despite our **extensive experience** and precedent setting results, our percentage fees (normally 25%) are competitive with, and often lower than, other law firms. **We invite you to compare.**
- We have achieved **court awards** and settlements reaching \$5 million lump sum and \$30 million in structured settlement tax free payments (awards vary and are dependent on many factors including severity of injury, duration of loss and overall impact on your life).
- **Our success** with out-of-court settlements will likely save you the stress of court appearances.
- We often assist other law firms with difficult cases.
- **Serving you and your family** is our priority. Our dedication to you goes far beyond our contract. Call today at no cost or obligation for an initial meeting. Hospital and in-home consultations can also be arranged.
- **References** are available from doctors, other experts and our clients. Call for our free information brochure.
