a MOSAIC company

What makes a business eco-friendly?

It can be:

- Selling refurbished or second-hand products
- Serving locally grown or certified organic goods
- Providing items made from recycled content
- Offering products with eco-certifications
- Rewarding awareness or rewarding consumers for making positive environmental choices
- Monitoring or reducing pollution
- Avoiding or minimizing harmful emissions (E.g. use eco-paints or biodegradable cleaning products)
- Offering a service that reduces the need to purchase a new product (E.g. car sharing, system or equipment rental)

Whenever you see this logo, simply look for the phone symbol about the business's eco-credentials.

Northern Property Management Ltd. has a variety of rental accommodations located in all areas of Fort McMurray.

We supply housing for many corporations and businesses located within the area and need new properties in order to keep up with the demand.

If you require rental accommodations, property management, commercial property management or condo association management, please contact our office for more information.

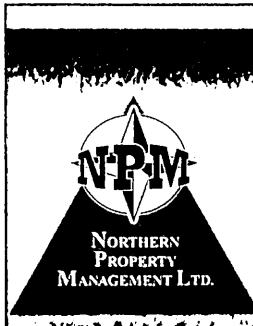

Northern Property Management is a local company, which has been serving the community for over 18 years.

Our professional team provides specialized property management services for single and multi-family residential units, condominium association, as well as commercial management.

We have recently expanded our services to the Edmonton area.
