What makes a business eco-friendly?

It can be...

- Selling refurbished or second-hand products.
- Serving locally grown or certified organic goods.
- Providing items made from recycled content.
- Offering products with eco-certifications.
- Raising awareness or rewarding consumers for making positive environmental choices.
- Monitoring or reducing pollution.
- Avoiding or minimizing harmful emissions. (E.g.: use eco paints or biodegradable cleaning products.)
- Offering a service that replaces the need to purchase a new product. (E.g.: car sharing system or equipment rental.)

Whenever you see this logo, simply pick up the phone and ask about the business's eco-initiatives.
