**ALBERTA'S IMPAIRED DRIVING DEFENCE TEAM**

**1-844-426-9582**

If you have been charged with an impaired driving offence, or with refusing to provide a breath sample, we can help, guaranteed. Impaired driving is one of the most technically complicated areas of criminal law – and we know it inside and out. Our team of lawyers have successfully defended thousands of persons charged with impaired driving over the past 23 years and we currently defend over 300 impaired driving cases each year.

Serving all Alberta Jurisdictions including:

- Calgary
- Grande Prairie
- Edmonton
- Red Deer
- Medicine Hat
- Lethbridge
- and all surrounding areas

[www.RoadLawyers.ca](http://www.RoadLawyers.ca)

- Impaired Driving
- Driving over 80 km/h
- Failing to provide a sample
- Driving offences
- License suspensions and more...

If you need to drive for work and to support your family, the immediate 1 year suspension of your licence is a heavy price to pay for an error in judgment. That's where we come in. We are so confident we can help you that we offer a money back guarantee – if you are not happy with our results we will give you your money back. No questions asked.
