The first oil strike in Alberta was in 1914 in Turner Valley. The Leduc field was discovered in 1947.

Alberta became a province on September 1, 1905. Prior to that time, it was part of the North West Territories.

The first oil strike in Alberta was in 1914 in Turner Valley. The Leduc field was discovered in 1947.

A cool way to send a warm wish.

For any special occasion, treat your family and friends to a delicious Dairy Queen frozen cake or log. Creamy chocolates and smooth vanilla soft serve surround a crisp chocolate cookie crunch and a rich fudge center. Take one home from our display or call in advance for one made to order. Either way, come in soon and take home a mouth-watering Dairy Queen frozen cake or log.
