CATASTROPHIC INJURIES

Serious injuries change your life forever. Money can't take away the hurt but it can help you rebuild your life. One of our brain injured clients, the victim of a drunk driver, now leads a productive and independent life after receiving a recent multi-million dollar settlement, one of the largest settlements ever achieved in Alberta for this type of injury. Each year we assist persons who have suffered traumatic brain injury, quadriplegia or other tragic injuries. Put our experience to work for you.

WRONGFUL DEATH

Accidents involving loss of life require experienced legal counsel. Each year our firm assists numerous families who have suffered the loss of a loved one. We invite you to put our professional team to work for you.

ROADLAWYERS™

If you can't afford to lose your licence, you can't afford not to call us. We can help, guaranteed.

Since 1988, we have handled thousands of criminal cases in Alberta. We act for truck drivers and other persons who need to drive in order to make a living and support their families. Most of our clients are referred to us by other people we have helped, so we do our best to make sure that each of our clients is completely satisfied with their result. Our service is expensive, but you get what you pay for. We are so confident that we deliver good value, we offer a money back guarantee – if you are not satisfied with your result, we'll refund your fees, no questions asked.

If you need to keep your driver's licence, call us for a free and confidential interview.
