Dentistry that's gentle, enjoyable, friendly, fun and affordable. How can you possibly resist?

Gentle dentistry for the whole family:

- Comfy exams & cleanings
- Finely crafted crowns, bridges & veneers
- Teeth-whitening programs
- Natural-looking fillings
- Nonsurgical gum care
- Orthodontics

Little things make a big difference:

- All insurance welcome
- Family payment plans
- Master Card & Visa Honored
- Walk-in patients accepted
- Emergencies seen immediately

Ask anyone who's been to Dr. Richard Ferguson about their visit and you'll hear, "They're so gentle!" or, "Everyone's so nice!" That's because we treat patients like members of our own families with genuine care and concern. We use gentle techniques like topical injections and Vibra Ject. And we know how limited time and money are for working families. So we offer evening appointments and gladly welcome insurance. Our friendly staff will even file the paper work for you.
