ANDREWS  
MACKAY LLP**  
INJURY LAWYERS

*We Listen We Care*

*F*or over 40 years, the lawyers of Cummings Andrews Mackay LLP have worked hard to establish a tradition of legal excellence. We have successfully argued Canadian precedent setting injury cases at all Court levels, including the Supreme Court of Canada, which only hears matters of national importance.

The Alberta government has made dramatic changes to the way victims of automobile accidents are compensated. It is critical that victims know and understand their rights. Before you settle call Cummings Andrews Mackay LLP for a free consultation. Don't take the insurance company's word that your claim is capped.

# We Get Results™

- **No fees or expenses** unless your case is successfully finalized. No hidden costs.
- **We are leaders in injury law**, setting the standard in Canada. By choice we only represent the injured. We do not act on behalf of insurance companies.
- **Despite our extensive experience and precedent setting results**, our percentage fees are competitive with, and often lower than, other law firms. We invite you to compare.
- **We often assist other law firms** with difficult cases.
- **We have achieved court awards and settlements** reaching \$5 million lump sum and \$30 million in structured settlement tax free payments (awards vary and are dependent on many factors including severity of injury, duration of loss and overall impact on your life).
- **Our success with out-of-court settlements** will likely save you the stress of court appearances.
- **Serving you and your family** is our priority. Our dedication to you goes far beyond our contract. Call today at no cost or obligation for an initial meeting. Hospital and in-home consultations can also be arranged.
- **Although significant changes have been made to Motor Vehicle Insurance Law in Alberta**, those new laws are being challenged in court and may be reversed.
- **Do not assume your claim is capped at \$4000.** Call us, at no cost or obligation, for more information. If you settle without talking to a lawyer, you may regret it.

*When you can't afford to lose your driver's licence, call*

**1-877-991-0808**

# Impaired Driving: Two things you need to know if you've been charged.

1: There's hope. 2: There's help.

**W**ith an impaired driving charge to face, many people stop thinking clearly even though the trial may still be far away.

Is the situation serious? Totally.  
Is there reason to believe that life as you know it is over?  
Absolutely not.

The fact is, there's hope. And plenty of it.

And one of the best places to

find it is at the The Impaired Driving Office.

You can visit our website at: [www.ImpairedDriving.ca](http://www.ImpairedDriving.ca), or you can phone - 310-0008.

At The Impaired Driving Office you are in touch with an association of legal professionals with years of experience dealing with the kind of charges you are facing.

Worrying, by itself, accomplishes nothing. If you're in this situation you need to do something.

The wisest place to start is to visit [ImpairedDriving.ca](http://ImpairedDriving.ca) online or call us at 310-0008.

Either way, we promise you help and hope.

# IMPAIRED DRIVING

## IMPAIRED DRIVING DIVORCE MATRIMONIAL PROPERTY

If you have been charged with drinking and driving, you may have a defence. Under Canadian law, the consequences of a conviction will be both costly and devastating. Do not plead guilty before you talk to us.

Conviction for impaired driving, drive over 0.80, care or control, or refusal to provide a breath sample means the loss of your driver's licence for at least one year, a criminal record and a minimum 300% increase in your motor vehicle insurance premiums. If your job involves driving, you may lose your livelihood.

Timothy Dunlap has 19 years practice in both Calgary and Edmonton as a tenacious Litigation Lawyer. In both Impaired Driving and Divorce Litigation you need this kind of tenacity and experience on your side.

Initial consultation is free, reasonable rates, individualized payment plan.

*An excellent defence team is waiting to help you.*
